- **Cost of Application** for all category candidates is **Rs. 400/-**

Admission may also be cancelled at any point during the course if it is discovered that the student provided false or misleading information at the time of admission.
- Applications after the **last date** will generally not be entertained unless, under **exceptional circumstances**, where **vacant seats** are available in any course.
- Ensure that the information entered in the Chancellor Portal is accurate and complete before submission.
